The City of Santa Clarita Recreation and Community Services Department welcomes you to the Canyon Country Community Center! Our programs provide youth ages 5 – 17 years old with an environment that fosters growth and development through recreational and creative activities. The Center offers arts and crafts, sports, fun fitness, dress up days, water activities, presenters, workshops, volunteer opportunities and even field trips for teen participants.

STAFF

Canyon Country Community Center staff consists of professionals who have worked with City youth programs in the past. We utilize an extensively trained staff to contribute to each child's/teen's mental, physical, and social well-being. The safety of your child/teen is at the forefront of our concerns; therefore, all staff is First Aid/CPR certified, have participated in a background check, and have received extensive training. Staff to child ratio is 1:15 and 1:20 for teens.

DAILY SIGN-IN AND OUT PROCEDURES

For safety reasons, all children (5-12) must be accompanied by a parent or guardian at arrival and departure time. Children must not be left unattended before their program begins, and they may not sign themselves in. All parent/guardians must check their child in and out each day. We cannot be responsible for your child unless they are checked in. **Please be prepared to show a picture ID each day in order to pick up your child.**

AUTHORIZATION TO PICK-UP

For the protection of your child/teen, only people whom you have authorized on the registration form may pick up your child/teen from the program, with proper ID. All persons wishing to pick a child/teen up, including parents must show proper ID before the child/teen will be released. All persons on said form must be at least 16 years old. Staff will check identification and confirm authorization of individuals seeking to pick up children from the program. No exceptions permitted.

If you need to add an additional person to the authorized pick up list on your child Health History form, you must do so in person with Center staff. **No faxes, e-mails, authorizations by telephone, or handwritten notes will be accepted as we cannot confirm your identity.**

If you wish to have your teen walk home unaccompanied, you must complete a Sign-Out Authorization Form. The form can be obtained at the front counter.

COURT ORDERS

Parents/guardians listed on the Health History Form are automatically authorized to pick up their child/teen. The City of Santa Clarita cannot restrict the rights of one parent/guardian at the request of the other parent/guardian without a copy of a custody order or court order affecting one parent's/guardian rights. Staff will not restrict a parent's custody rights without a valid court order. For City staff to follow a court order, custody orders and/or restraining orders, must be on file with the program supervisor and submitted immediately to the City. Please be aware, City staff is not trained to interpret court orders. If disputes arise between parties, as necessary, the Los Angeles County Sheriff will be called to determine and establish resolution.

LATE PICK-UP CHARGES

There is a \$5 charge per child for the first 15 minutes plus \$1 for each minute thereafter, or portion thereof, that you are late in picking up your child. The late charge is due and payable (by cash or credit) at the site the day in which you are late. Please note, if you are late picking up your child two times during the program, you will be contacted by the Community Center Supervisor or Coordinator. On the third offense, your child/teen may be suspended until arrangements can be made to ensure your child/teen is picked up on time.

PARKING

Please do not park in the emergency lanes, along red curbs, or double-park anywhere in the parking lot. Tickets will be issued to vehicles that park illegally.

ILLNESS PROTOCOLS

The City of Santa Clarita has always adhered to illness procedures for its day camp programs

In order to keep staff and other children/teens healthy, we request that you keep ill children/teens at home.

IF A CHILD BECOMES SICK WHILE IN THE PROGRAM

1. Staff will notify the Supervisor or Coordinator of the situation and isolate the child/teen in the office while staff monitors.
2. Parent/guardian will be called (any names listed on the Health History Form) to pick up the child promptly, if deemed necessary.

Illnesses and conditions where we ask that you keep your child at home include, but not limited to:

High temperature, nausea, diarrhea, throwing up, any unexplained rash, skin infections, pink eye and other eye infections, or just not well enough to follow the day's routine, including outside play.

If your child has allergies which result in a continuous runny nose, please bring a note from your child's doctor stating this. This is true for any condition that may appear to be infectious or contagious but is not.

Communicable Diseases (i.e., chicken pox, measles): Please let us know if your child contracts a communicable disease so that we may inform other parents. Your child may come back when cleared by a doctor. For chicken pox, all spots must be dry.

Lice: If your child is found to have lice, you will be called to pick up your child since lice are highly transmittable. Before your child may return, they need to be free of lice, as well as eggs. Please thoroughly clean wherever your child puts his/her head—car seats, sofas, towels, pillows, etc. to stop the infestation. We will also take steps to treat the site (e.g. rugs, mats).

MEDICATION

Our staff is not permitted to administer prescription or non-prescription medication to children/teen (exception Epi-Pens and Asthma Inhalers as staff is trained for emergencies only). Staff can only assist a child/teen who can self-medicate and then only with written authorization of the parent/guardian. This includes Tylenol, cough medication, allergy medicine, etc. If a child/teen should need medication while attending the program, staff will provide the medication to your child/teen. The following instructions must be followed:

1. The medication must be brought in its original container to the front counter staff. If it is prescribed medication, the child's/teen's name must be on the container.
2. Parents/guardians must complete the Medication Consent Form providing written instructions indicating the quantity and time that your child/teen is to take the medication, as well as any other directions. This form also gives written clearance to the City of Santa Clarita to provide the medication to the child/teen.
3. Sign medication in on the Medication Log.
4. Please send only the daily dose of medication.
5. Sign medication out on the Medication Log at the end of the day.

GROUPS AND ACTIVITIES

Children will be placed in groups with other participants of similar age and grade level. Children/teens will take part in several recreational activities throughout the day with their group. Group size will depend on the number of children of the same age group but 1 staff per 15 children ratio will be maintained at all times. Children's/teen's belongings will be kept in their individual assigned areas.

- Please remember to clearly mark all of your child's/teen's belongings with his/her name. Please do not send your child with toys or electronics from home. Cell phones may not be brought by youth; however, teens may bring their phone at their own risk. Staff are not responsible for personal belongings brought to camp.
- Children/teens must wear closed toe shoes for safety purposes.
- If possible, children/teens should wear their hair tied back to help eliminate the need to touch their face and eliminate risk of it getting tangled in play equipment.

If your teen has been registered for a field trip, they must arrive prepared by the designated CHECK-IN time. If not, they forfeit the right to attend the selected field trip, regardless of having already paid and whether or not the bus has left. NO EXCEPTIONS. NO REFUNDS.

- We require all teens attending field trips to have current Activity and Health History forms on file, with the parent's initials acknowledging authorization to attend the field trip. If form is not on file, your teen's spot will be forfeited, regardless of having already paid.
- Teens not following staff directions or Community Center rules will lose the right to attend future field trips, regardless of having already paid and parents may be required to pick their teen up from the destination if inappropriate behavior persists.
- Parents may not pick up their teen from a fieldtrip destination without obtaining prior authorization from the Center's Supervisor. Please allow at least one day's notice if your teen will be picked up from a fieldtrip destination. Identification must be presented to the fieldtrip leader before teen can be dismissed.

Each teen will be responsible for carrying their own belongings during field trips. **Staff is not allowed to carry items for participants, including money.** Please follow all special instructions provided for each individual field trip.
- Do not send teens on field trips if they are not feeling well. If this occurs, you will be responsible for picking up your teen from the destination.
