

# City of Santa Clarita YOUTH GROVE

Central Park, 27150 Bouquet Canyon Road, Santa Clarita

The Santa Clarita Youth Grove is a grassroots effort supported by the City of Santa Clarita and the Blue Ribbon Task Force. It is dedicated to Santa Clarita youth (24 years old and younger) who have died in traffic-related incidents, and provides a safe, centralized location for young people and community members to remember these youth.

The Youth Grove is for the Santa Clarita community — particularly our youth — to use, and to reflect upon the unfortunate consequences of drinking and driving and of reckless driving. The City of Santa Clarita and the Blue Ribbon Task Force hope that, through this graphic reminder, our citizens will be more mindful and responsible when getting behind the wheel.

## KNOW MORE

Our children are our most precious gifts.  
They are our sons, daughters, brothers, sisters, loved ones, and friends.  
Vow today that...

No more will lose their lives because we drive too fast.  
No more will die because we drive under the influence.  
No more will perish because we lapse in attention for just one moment.  
No more will be lost because of reckless acts on the road.  
Join us in a cry that NO MORE names will be added to this memorial.

**No More.**

The City of Santa Clarita utilizes iPods to promote the Youth Grove's message about safe driving. For information on how to access this program, please call (661) 250-3708.
