Lives in Circle J Ranch area.

Listened to live stream 3/1/23.

Was the issue ever put on a ballot for the citizens to vote upon?

Why is the district line drawn along Parvin Drive, separating Circle J Ranch community between Districts #1 and #2?

Why wasn't the map drawn to split the City into the five boroughs?

No one, except maybe the people who moved here within the last year or so asked for this.
