CITY WARNING: This email was sent from an external server. Use caution clicking links or opening attachments.

Mayor Gibbs... As discussed with Masis Hagobian, the SCV Chamber had some additional district map boundary suggestions for the Council to consider, which we were not able to modify on the DRA software.

In addition to our map that we have submitted via the DRA software, please find attached our comment letter and map of suggested additional changes.

Please feel free to reach out if you have any questions or need any additional confirmation.

Thank you!
