AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS

For the year ended June 30, 2005

Donations of capital assets increase net assets in the statement of activities, but do not appear in the governmental funds because they are not financial resources:		21,050,313
The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of the principal of long term-debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net assets. This amount consists of:
