CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan.

91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

All activities undertaken in the 2016-2017 program year addressed a Consolidated Plan priority and a need identified in the 2016-2017 Annual Action Plan. Nearly 1,600 low- and moderate-income City residents were provided with supportive human services. Fifty-nine low- and moderate-income homeowners had their homes repaired to address safety and habitability issues through the CDBG-funded Handyworker Program.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Goal	Category	Source/ Amount	Indicator	Unit of Measure	Expected – Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected – Program Year	Actual – Program Year	Percent Complete
Improve and Expand Facilities and Infrastructure	Non-Housing Community Development	CDBG: \$499,522	Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit	Persons Assisted	15,339	15,339	100.00%	0	0	0.00%
Provide Decent and Affordable Housing	Affordable Housing	CDBG: \$0	Rental units constructed	Household Housing Unit	13	0	0.00%	0	0	0.00%
Provide Decent and Affordable Housing	Affordable Housing	CDBG: \$275,000	Homeowner Housing Rehabilitated	Household Housing Unit	325	167	51.38%	72	59	81.94%
Provide Supportive Human Services	Homeless Non-Homeless Special Needs	CDBG: \$144,110	Public service activities other than Low/Moderate Income Housing Benefit	Persons Assisted	2,800	2,842	101.50%	698	1,479	211.89%
Provide Supportive Human Services	Homeless Non-Homeless Special Needs	CDBG: \$0	Homeless Person Overnight Shelter	Persons Assisted	0	0	0.00%	0	207	345.00%
Provide Supportive Human Services	Homeless Non-Homeless Special Needs	CDBG: \$29,400	Homelessness Prevention	Persons Assisted	100	64	64.00%	20	19	95.00%

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

All CDBG funds used during the 2016-2017 year addressed high Consolidated Plan priorities and a community need identified in the 2016-2017 Annual Action Plan. High Consolidated Plan priorities included:

- Improve, maintain, and expand affordable housing
- Improve and expand facilities and infrastructure
- Planning and administration
- Promote equal housing opportunity
- Provide supportive human services

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

91.520(a)

	CDBG
White	1,037
Black or African American	263
Asian	49
American Indian or American Native	18
Native Hawaiian or Other Pacific Islander	7
Total	1,374
Hispanic	355
Not Hispanic	1,019

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

Each subrecipient of CDBG funds tracked the race and ethnicity of participants as part of the standard record-keeping process. Disabled accessibility projects used the ethnicity data from the U.S. Census for the disabled population, as per the guidance from the Department of Housing and Urban Development (HUD).

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	CDBG	\$1,287,984	\$757,732
HOME	HOME	0	0
HOPWA	HOPWA	0	0
ESG	ESG	0	0
Other	Other	0	0

Table 2 - Resources Made Available

Narrative

The City committed \$1,287,984 in 2016-2017 available funds to CDBG eligible programs in the areas of administration, capital, and public services. The total amount expended during the program year include some expenditures from a 2015-2016 two year project which was carried over to 2016-2017. One 2016-2017 program will remain open and carry-over to 2017-2018.

- ADA Crosswalk Improvement Program (City-wide)

All other projects and programs were carried out as planned.

Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
N/A	N/A	N/A	N/A

Table 3 – Identify the geographic distribution and location of investments

Narrative

Not applicable. Funds allocated in 2016-2017 were used on a City-wide basis under the Limited Clientele National Objective. No specific allocations were made on the Low/Mod Area National Objective.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The City continues to work to identify other funds with which to leverage CDBG. The City leveraged 2016-2017 CDBG funds committed to one accessibility infrastructure improvement project by using City general funds, and other state and federal funds in the same project.

The City contracted with five local-serving non-profit agencies to carry out seven programs which provided supportive human services to low- and moderate-income residents. These agencies leveraged the CDBG funds by using other grant funds, as well as locally raised donations, to provide services to a greater number of residents than would have been possible with CDBG funds alone.

The Newhall Avenue Development project (Three Oaks) is an example of the leveraging of several different funding sources: CDBG capital funds, housing bond proceeds, tax credits, and the donation of publicly owned land. Three Oaks is a fully-entitled, 30-unit, 100% affordable, family rental housing development. In the 2015-2016 program year, the City allocated \$303,361 for off-site improvements for the Newhall Avenue Development project. The City also donated publicly-owned land to the project, which was acquired with CDBG funding. Construction began in March 2016 and the project was completed in August 2017. Accomplishments will be reported in the 2017-2018 CAPER.

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	72	59
Number of Special-Needs households to be provided affordable housing units	0	0
Total	72	59

Table 4 – Number of Households

	One-Year Goal	Actual
Number of households supported through Rental Assistance	20	19
Number of households supported through The Production of New Units	0	0
Number of households supported through Rehab of Existing Units	72	59
Number of households supported through Acquisition of Existing Units	0	0
Total	92	78

Table 5 – Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The CDBG-funded Handyworker Program was successful in providing rehabilitation of 59 existing units for lower-income homeowners of the 72 units planned.

The on-going problem of extremely high costs for existing housing, the high cost of building new housing, and limited resources, are all challenges to the City in creating new affordable housing.

Discuss how these outcomes will impact future annual action plans.

In 2010, \$345,000 in CDBG funding was allocated towards the aquisition of land to be the home of the future affordable housing development project now known as Three Oaks. Another \$303,361 was allocated for off-site improvements in 2015-2016. Construction began in March 2016 and the project was completed in August 2017. Lease-up also began in August 2017. Accomplishments for this project will be reported in the the 2017-2018 CAPER.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	0	0
Low-income	0	0
Moderate-income	0	0
Total	0	0

Table 6 – Number of Households Served

Narrative Information

All City residents served by CDBG funds in the area of affordable housing met the income limitation requirements for CDBG.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs.

The City provided two grants to a local non-profit to provide services to the homeless and those at risk of homelessness. The Homeless Case Management Program was operated by Bridge To Home, the non-profit which also operates the cold-weather winter shelter. This program provided homeless families and individuals with case management, life-skills training, and job search assistance. Bridge To Home also operated the Affordable Housing Program, providing assistance to prevent eviction and to assist homeless and those at-risk-of-homelessness in becoming securely housed.

Addressing the emergency shelter and transitional housing needs of homeless persons.

Bridge To Home operates the local cold-weather winter shelter which provides housing, food, and case management between November and March each year. Bridge To Home also assists the homeless with referrals and transportation to temporary and transitional housing operated by other agencies. In the 2016-2017 program year, the emergency winter shelter provided 207 homeless individuals with shelter.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Bridge To Home operates the local cold-weather winter shelter between November and March each year. In addition to providing shelter, services are available for the homeless which include case management and life-skills training. Bridge To Home also assists the homeless with referrals to other services and transportation to transitional housing operated by other agencies.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to

permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

The Affordable Housing Program operated by Bridge To Home uses CDBG funds from the City to provide one-time rent assistance to prevent eviction, as well as case management to help at-risk families obtain and remain in stable housing to avoid homelessness.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing.

The City does not own or operate any public housing. Orchard Arms, a public housing development with 182 affordable units, is owned and operated by the County of Los Angeles and is the only public housing within the City limits.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership.

The City does not own or operate any public housing and therefore has not undertaken efforts to encourage public housing residents to become owners of their public units or developed any other ownership opportunities for these residents.

Actions taken to provide assistance to troubled PHAs.

The Housing Authority of Los Angeles County holds a “High Performer” status under HUD’s Section 8 Management Assessment Program (SEMAP); therefore, it is not designated as a “troubled” agency. Units are inspected, repaired, and maintained on a regular basis. According to HACoLA, the physical condition of its public housing stock is considered to be good. It is the goal of HACoLA to maintain each home, whether the unit is a single-family residence, or in an apartment complex. High Performer status will allow HACoLA to apply for additional programs and funding, allowing for an increased level of service for families in Los Angeles County.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The Housing Element of the City's General Plan requires an evaluation of zoning with the intent to re-zone undeveloped properties to higher densities in order to encourage the development of affordable housing. The most recent Housing Element update was submitted to the State of California in 2013. A number of programs outlined in the Housing Element are designed to encourage the development of affordable housing, including consideration of reductions in development fees, density bonuses, and expedited processing of a development application. Developers proposing affordable units may also request other City financial assistance depending on the project and the availability of funds.

The City is supportive of the development of affordable housing and staff is available to meet with affordable housing developers to discuss options at any time. In 2014-2015, the City committed \$3.8 million dollars in non-CDBG funds to a 30-unit, 100% affordable, family rental housing development which began construction in March 2016. The City also donated a City-owned parcel of land to the project, in which \$345,000 of CDBG funding was used to acquire. Another \$303,631 in CDBG funding was allocated in 2015 for off-site improvements. These contributions to the project reduce the overall construction and development costs, allowing the units to be rented at affordable rates, while at the same time meeting the City's high standard for construction and design.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

In addition to City operated and sub-recipient provided programs and activities, some of the other local non-profit agencies that help address obstacles in meeting underserved needs are listed below. The service providers also address the priorities outlined in the current Consolidated Plan. The agencies listed receive funding through other public sources, private foundations, donations, and fundraising.

- Assistance League
- Goodwill Industries
- Head Start
- Heads Up Therapy on Horses
- Los Angeles Residential Community (LARC)
- Pyles Boys Camp
- Samuel Dixon Family Health Center
- SCV Youth Project
- Single Mothers Outreach
- Special Olympics

- The Gentle Barn
- The Salvation Army

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The City of Santa Clarita has a need for lead-hazard free housing and in 2016-2017 continued to work to reduce lead-based paint (LBP) hazards to comply with 24 CFR Part 35. While the number of units likely to contain lead-based paint is relatively low, the City addressed the problems of LBP hazard on a case by case basis as needed during repair and renovation of older housing stock through the Handyworker Program. Having information and staff available to the public to educate residents about the need to maintain buildings, which may contain LBP, as well as other programs to encourage home maintenance, also aided in mitigating LBP hazards in the City of Santa Clarita.

Housing rehabilitation was provided through the CDBG-funded Handyworker Program operated by the Senior Center. This program aided in correcting substandard conditions, which contribute to LBP hazards. All applicants eligible for services through the Handyworker Program received the most updated version of the Environmental Protection Agency’s (EPA) *Protect Your Family From Lead in Your Home* pamphlet. When a property built before 1978 was approved for grant-funded repairs that may have disturbed LBP, an inspection test was ordered. If containment and/or abatement were necessary, the homeowner was required to use a contractor certified in lead-safe work practices by the State of California. There were no inspections ordered in 2016-2017.

The City also encouraged homeowners to correct substandard conditions to minimize LBP hazards, especially owners of units where children live. Due to the mean age of the City’s housing, homes containing lead-based paint are not believed to be a significant problem. However, the City stayed current and compliant with LBP requirements and continued to evaluate and reduce LBP hazards through the following actions and activities in 2016-2017:

- Maintained an agreement with a certified consultant when lead-based paint testing and clearance services are needed for grant-funded repairs.
- Displayed a poster in the City’s Permit Center which contained lead-safe certification information for contractors.
- Provided information through one-on-one contact with contractors, Building Inspectors, Code Enforcement Officers, and the general public. The written publication from the Los Angeles County Childhood Lead Poisoning Prevention Program was also available in the City’s Permit Center: *ATTENTION! Remodeler /Renovator /Contractor /Landlord: Does the New Federal Lead-Based Paint Regulation Apply to You?*

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

While the City has no control over the majority of the factors affecting poverty, it is still able to assist those living below the poverty line. The City supports other government, private, and non-profit

agencies involved in providing services to low-income residents, and coordinates efforts with these groups where possible to allow for more efficient delivery of services. The City took the following actions during the last year to help reduce the number of persons living below poverty level:

- Allocated \$64,400 to a variety of public service agencies that provided supportive services which assist participants to move out of poverty.
- Supported the Santa Clarita WorkSource Center which addresses resident's employability. The WorkSource Center, in conjunction with College of the Canyons and the Employment Development Department, funds no-cost, high-value employment training, job search services such as workshops, computer classes, phones, fax, as well as providing computers with internet access, job leads, newspapers, and a resource library for job seekers. Employers also used the Center to recruit and advertise their job openings.
- Continued efforts to aid in the economic growth of the City by fostering and encouraging responsible economic development opportunities. These efforts are designed to create a jobs/housing balance through quality employment opportunities for residents, an economic base through increased sales-tax generation, and economic wealth by attracting external monies to the local economy. Specifically, four targeted industries have been identified where there is a foundation of businesses in Santa Clarita. These include biomedical, aerospace, technology, and film/entertainment. These business clusters offered a wide variety of high-paying, high-skilled jobs which may be accessed either through traditional educational routes or through on-the-job training and apprenticeship programs.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The City took the following actions during 2016-2017 program year to foster a more effective institutional structure and enhance coordination among agencies serving lower-income residents:

- The City worked with a wide range of public and community social service agencies to meet and address the various needs of the community. In 2016-2017, the City continued to collaborate with local non-profit advocacy groups and other County, State, and Federal organizations.
- The City utilized the services of HandsOn Santa Clarita (HOSC), a local non-profit agency. Their mission is to provide training and resources to build the capacity of other non-profit social service organizations while cultivating connections between volunteers, groups, and businesses to best meet the needs of the community. HOSC programs and services include administration of the City's Court Referral Program, overseeing a City-wide volunteer management database, and facilitation of corporate and non-profit volunteer programs.
- The City's Community Services Division is home to the Human Services Office. The purpose of the Human Services Office is to create a safe, healthy, and thriving community by providing services and activities which address the needs of the community. The Human Services Office operates the Newhall Community Center (The Center) which serves residents in one of the lowest income areas of the City. The Center provides after-school supervision, assistance with homework, sports programing, and cultural events. The Center also provides referral services

for low-cost health care services, legal services, and English-as-a-Second-Language classes. The Human Services Office also conducts an annual process for competitive community benefit grants to local non-profit organizations to address quality of life issues. General funds were used to provide twenty-two (22) community benefit grants in 2016-2017 totaling \$89,997. The grants were awarded to local non-profits to address various health and human service related issues. Many of the Human Services programs serve lower-income residents in the community.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

Actions that were undertaken during the past year to enhance coordination between public and private housing, health, and social service agencies include:

- Working with the Los Angeles Homeless Services Agency to provide information about homeless shelter and services.
- Collaborating with Bridge To Home (homeless services provider) to administer the Cold-Weather Winter Shelter Program.
- Coordinating with the Los Angeles County Housing Authority to provide information about Section 8 Rental Assistance Vouchers.
- Coordinating with the County of Los Angeles Health Department Childhood Lead Poisoning Prevention Program (CLPPP) to provide information about lead-based paint hazards.
- Working with the San Fernando Valley Economic Alliance and Southern California Association of Governments in an effort to address shared priorities, such as transportation and air quality issues, large scale planning goals, and advocacy at regional, state, and federal levels.
- Collaborating with Los Angeles County in the administration of a Valley-wide General Plan that includes the unincorporated Los Angeles County areas of the Santa Clarita Valley (Valley). The adopted General Plan encompasses the guidelines for the future growth of the Valley and the preservation of natural resources that the City/County will continue to follow. There are many elements to the City's General Plan, including the Housing Element, which contain a variety of programs and policies that will further benefit lower-income residents of the community. The Housing Element was updated and received HCD certification on June 27, 2013. The HCD certified Housing Element was adopted by the City Council on October 22, 2013, and the required annual update was completed/accepted in 2014. The next update to the Housing Element will occur in 2021.

For a number of years, the City has contracted with the Fair Housing Council of the San Fernando Valley (FHCSFV) to provide fair housing services in Santa Clarita. Despite extensive communication and technical assistance provided by Housing staff, the FHCSFV was unable to execute a contract in 2016. Despite not having a contract, the City was assured by the FHCSFV that any phone calls received related to fair housing services would still be addressed. Upon determining that a contract could not be executed, Housing staff conducted a Request for Proposals process, which resulted in a successful proposal from the Housing Rights Center.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

Actions taken in 2016-2017 to overcome the effects of impediments and affirmatively further fair housing are:

- Access to Fair Housing information on the City's website.
- Availability of Fair Housing's contact information in the City's Affordable Housing and Services Brochure.
- Fair Housing posters displayed in the CDBG public offices.
- Conducted a Request for Proposals process to provide fair housing services in the Santa Clarita, resulting in a successful proposal with the Housing Rights Center.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements.

The City continually monitors all CDBG-funded activities, including those operated by sub-recipients. This process ensures consistency with the current Consolidated Plan and the associated Annual Action Plan. CDBG staff pride themselves in building and maintaining good working relationships with CDBG-funded sub-recipients. Substantial effort is put towards ensuring frequent contact and communication with all sub-recipients whether by phone, email, or other written correspondence. During the 2016-2017 program year, the City maintained project activity files for each CDBG activity. Among other items, project files typically contain eligibility and compliance documentation, contract, scope of work, budget, purchase order, non-profit status, invoices, required reporting, monitoring documents, and other general correspondence.

CDBG staff conducted an annual monitoring of all CDBG-funded sub-recipients. On-site monitoring visits were conducted for the following organizations where randomly selected participant files were reviewed by staff with no significant findings or concerns:

Boys and Girls, Transporting Hope – This activity provided 30 scholarships for eligible youth to be transported to and participate in the Boys the Boys and Girls Club’s programs throughout the school year, reaching 100% of their goal.

Carousel Ranch, Special Children of the Valley (Project SCV) - This activity exceeded their goal, providing 13 disabled individuals with scholarships for equestrian therapy services.

Carousel Ranch, Ready to Work! Vocational Training Program - This activity met 100% of their goal by providing 7 disabled individuals with scholarships to participate in the Ready to Work Program.

Child and Family Center, Early Childhood Services/Mental Health Counseling – This program provided 15 families with needed mental health counseling services.

Senior Center, Handyworker Program – This program provided 59 grants to lower-income homeowners, allowing them to make necessary home repairs, keeping their homes safe and habitable.

Due to consistent and compliant sub-recipient performance from the prior year, it was determined that on-site monitoring was not necessary and a desk-review was conducted for:

- Bridge To Home, Affordable Housing Program – this program helped 19 families avoid homelessness in 2016-2017 with CDBG funds.
- Bridge To Home, Homeless Case Management and Life-Skills Program – this program served 832 homeless people in 2016-2017 with CDBG funds, well exceeding their annual goal of 100.

- Domestic Violence Center, Case Management Program - this activity served 107 battered spouses.
- Senior Center, Community Access Services Program - this activity well exceeded their annual goal of 450 by providing 512 individuals, aged 55 and over, with a variety of supportive services.

The desk reviews conducted for the agencies above confirmed that CDBG contract goals were on target, the scope of services was being followed, invoicing and reporting were detailed and current, and HUD guidelines were being met. Desk monitoring documentation is kept on file with each activity.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

The notice of availability and public comment period for the draft 2016-2017 CAPER was published on August 22, 2017 and is attached for reference. The draft CAPER was available for public review and comment from September 5, 2017 through September 20, 2017. No comments were received from the public.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The City is confident that all of the activities undertaken with CDBG funds were eligible for CDBG funding and met a Consolidated Plan priority and a community need identified in the City's 2016-2017 Annual Action Plan. No substantial amendments to the 2016-2017 Action Plan were processed.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

Not applicable to the City of Santa Clarita.

PART I: SUMMARY OF CDBG RESOURCES

01 UNEXPENDED CDBG FUNDS AT END OF PREVIOUS PROGRAM YEAR	196,514.16
02 ENTITLEMENT GRANT	1,156,736.00
03 SURPLUS URBAN RENEWAL	0.00
04 SECTION 108 GUARANTEED LOAN FUNDS	0.00
05 CURRENT YEAR PROGRAM INCOME	0.00
05a CURRENT YEAR SECTION 108 PROGRAM INCOME (FOR SI TYPE)	0.00
06 FUNDS RETURNED TO THE LINE-OF-CREDIT	0.00

THE SIGNAL

26330 Diamond Pl #100
Santa Clarita, CA 91350

Proof of Publication
(2015.5 C.C.P.)

STATE OF CALIFORNIA
County of Los Angeles

I am a citizen of the United States and a resident of the County aforesaid; I am over the age of eighteen years and not a party to or interested in the action for which the attached notice was published. I am a principal clerk of THE SIGNAL, which was adjudged a newspaper of general circulation on March 25, 1988 (Case number NVC 15880) for the City of Santa Clarita and State of California. Attached to this Affidavit is a true and complete copy as was printed and published on the following date(s):

All in the year 20 8/22
17

I certify (or declare) under penalty of perjury that the foregoing is true and correct.

Dated at Santa Clarita, California, this

22nd day of August 20 17

Signature

**NOTICE OF PUBLIC COMMENT
ON THE COMMUNITY DEVELOPMENT
BLOCK GRANT (CDBG)
CONSOLIDATED ANNUAL
PERFORMANCE EVALUATION
REPORT (CAPER)**

Notice is hereby given that the City of Santa Clarita invites public comment regarding the CAPER for the 2016-2017 CDBG Program Year. The CAPER is a financial document and a narrative summary that provides information on the number, type, and performance of CDBG program activities undertaken with federal CDBG funds in the 2016-2017 Program Year.

In accordance with CDBG regulation 24 CFR 570.507(a)(3), the CAPER will be available for review for fifteen (15) days beginning September 5, 2017 at the Office of the City Clerk, Public Counter, City Hall, 23920 Valencia Blvd, Suite 120. Comments may be submitted in person or mailed to: Terasa Sullivan, City of Santa Clarita, 23920 Valencia Boulevard, Suite 300, Santa Clarita, California 91355. Written comments must be received by September 20, 2017, at 5 p.m.

Se habla Español. Para obtener más información, llame al 661.286.4141.

-------	--------------------------	--------------

2015	Single Mother's Outreach provided quality case management services to 39 new single parents during the third quarter of FY 2015-16. The agency has also expanded its case management protocol to include a weekly follow-up with new images and a bi-annual follow-up session for existing members. One hundred thirty-nine (139) single parents were provided case management in 2015-2016, with nineteen parents and five children completing eight sessions of solution-focused therapy, positively impacting the lives of single parents and children.

-------	--------------------------	--------------

2015 The Senior Access Center projected assisted 602 seniors throughout the FY 2015-2016 program year, well exceeding their goal of 450. Special accomplishments ranged from arranging for an extremely high risk senior to having adequate food and nutrition, to advocating for a confused stroke victim to avoiding eviction for nonpayment of rent, to helping a chronic pain sufferer by arranging for in-home assistance.

Annual Accomplishments

Years	Accomplishment Narrative	# Benefiting
2016	Q1: During this reporting period the Senior Center has met 45% of its annual goal by serving 202 unduplicated individuals. Notable accomplishments this quarter range from supporting a family caregiver financially by providing canned food and incontinence supplies for frail and elderly wife, to assisting a frail senior who had to give up driving by offering another form of transportation, to coordinating services for an elderly mother and daughter so that could remain safely at home. All of these accomplishments help improve quality of life for the individuals assisted. Q2: Another 129 individuals were served during this quarter, helping to sustain and improve quality of life. Q3: One hundred twenty-eight more individuals were served in quarter three and already exceeding the annual goal. Q4: An additional 85 individuals were served this quarter, exceeding the total annual goal by 14 percent.
