#### Administration

#### **Program Purpose**

The Parks, Recreation and Community Services Administration program provides administrative services for a comprehensive parks, recreation and community services system to serve the citizens of the City of Santa Clarita. The Administration program staffs the City's Parks and Recreation Commission, attends all City Council meetings, develops and administers the Department budget, and fulfills a variety of planning and development functions for the City.

#### **Primary Activities**

The primary activities of the Parks, Recreation and Community Services Administration program include recruitment, selection and training of full-time supervisory and administrative employees. Additional activities include staffing and preparation of agenda items for Parks and Recreation Commission and City Council, administration, development and supervision of the Department's budget, purchasing, accounting and cash handling operations.

#### **Performance Goals**

- Implement the Parks, Recreation and Community Services Master Plan.
- Implement the second year of the Parks, Recreation and Community Services Department Strategic Plan.
- Continue to develop public/public public/private partnerships.
- Obtain a recreational site for the Canyon Country area.
- Facilitate collaboration within the arts community.

#### **Program Purpose**

The Parks program is comprised of two sections: Planning and Development and Park Grounds Maintenance. The program's purpose is to provide short- and long-range planning for park, open space, trail development, and all grounds maintenance functions. Additionally, the program is responsible for City-wide landscape and irrigation plan check and inspection, and for the review of development projects for various park and recreation requirements. The program is also involved in various park-related bond issues, competitive grant applications, and coordinating regional park and recreation facilities with outside agencies.

#### **Primary Activities**

The primary activities of the Parks Division include the implementation of various functions associated with Park Maintenance and Park Planning and Development.

#### **Performance Goals**

- Begin construction of Santa Clara River Trail Phase III.
- Begin design of Central Park Phase I.
- Develop plans to augment volunteer usage for trail maintenance.

### **Community Services**

#### Program Purpose

The purpose of Community Services is to administer and support programs and funding in response to the needs of the community. The Division is dedicated to the development and implementation of quality, value-based programs that encourage healthy lifestyles, celebrate the community's diversity while enhancing community identity, including emergency preparedness. The Citizen's Option for Public Safety and Local Law Enforcement Block Grants provide funding to reduce crime and improve public safety by increasing efforts targeting youth. Also included is OCJP program services for FY 97/98.

#### **Primary Activities**

The Division's focus for FY 97/98 is on youth and family. The intent is to cultivate positive behaviors and actions from early childhood development through adolescence. The Division provides staff support to various committees and programs, including Anti-gang, Human Relations Forum, Youth Alliance, Arts Alliance, Pride in Parenting, and a host of other programs essential to the community.

#### **Performance Goals**

- Reduce the availability of drugs and alcohol to minors.
- Train college students to deliver the Operation Us program to high school students.
- Secure funding and implement at least one new community coalition.
- In collaboration with the Arts Alliance, explore development of an Arts Master Plan.
- Expand Community Services programming to adults, parents and preschools.

### **Landscape Maintenance Districts**

#### **Program Purpose**

Landscape Maintenance Districts are established to provide funding for ongoing maintenance and services for drainage structures, facilities or landscaping within areas benefiting from the facilities and/or improvements. Each district has a specific boundary and includes properties which contribute funds for identified improvements and maintenance.

#### **Primary Activities**

The improvements and maintenance services for the special districts include, but not limited to:

- Installation and maintenance of planting of landscaping, including irrigation, trimming, spraying, fertilizing, or treating plants or trees for disease or injury.
- Installation and maintenance of park or recreational improvements, including, grading, leveling, cutting and filling, sod, landscaping, irrigation systems, curbs, gutters, sidewalks, drainage facilities, lights, playground equipment, play courts, paving, irrigation, drainage, electrical facilities and public restrooms.
- Acquisition of land for park, recreational, or open-space purposes.
- Installation or construction of statuary, fountains, and other ornamental structures.
- Acquisition of any existing improvement authorized by the streets and highways code.
- Removal of trimmings, rubbish, debris, and other solid waste.
- Cleaning, sandblasting, and painting to remove or cover graffiti.

#### Performance Measures

- Provide a seamless transition of administration from the County to the City for districts which are being transferred.
- Ensure that all funding is accurately collected and available to provide service.
- Prepare status reports on each district to identify maintenance objectives.
- Prepare an installment/reserve study to assist in budgeting.
- Provide a higher level of service.
