SUBJECT: H.R. 1015 (HILL): SUPPORT

Dear Representative Hill:

Dear Katie,

On February 26, 2019, the Santa Clarita City Council voted unanimously to support H.R. 1015, which would establish a national memorial and national monument to commemorate the victims of the Saint Francis Dam collapse on March 12, 1928.

On behalf of my City Council colleagues, I would also like to thank you for your strong support of S. 47 (Murkowski) and making the Saint Francis Dam Disaster designation a top priority.

As you know, the creation of a national memorial and national monument will honor those who were killed, injured or survived that horrific event. Their individual and collective stories will be brought forward for future generations to better understand the history of the Santa Clarita Valley and the region. The designation will also serve to preserve the remaining historic artifacts and serve as a place of reflection, contemplation and remembrance.

Should you or your staff require any further information regarding the Santa Clarita City Council's support of this bill, please feel free to contact

Honorable Katie Hill
