SUBJECT: SB 333 (WILK): SUPPORT

Dear Senator Wilk:

Scott

Bob Kellar
Councilmember

The City of Santa Clarita is pleased to support SB 333, requiring the State's Homelessness Coordinating and Financing Council to develop and implement a statewide strategic plan for addressing homelessness in California.

Bill Miranda
Councilmember

On May 28, 2019, the Santa Clarita City Council voted unanimously to support SB 333. As you know, homelessness is a complex and widespread issue throughout California. Locally, the City of Santa Clarita has taken several steps to partner with service providers and the community to combat and prevent homelessness.

Laurene Weste
Councilmember

However, as the issue of homelessness stretches across city boundaries, it is prudent that a statewide plan be developed. We believe that this bill takes a step forward in addressing California's homelessness issue.

Thank you for your leadership on this matter and we look forward to working with you in support of this measure. Should you or your staff require any further information regarding the Santa Clarita City Council's position of this bill, please feel free to contact Intergovernmental Relations Manager Michael P. Murphy at (661) 255-4384 or mmurphy@santa-clarita.com.

Sincerely,

Marsha McLean

Thank you!

Marsha McLean
Mayor
