

Henry Mayo Newhall Hospital Project Update

- Amendments to the Specific Plan, Master Plan and Development Agreement
- Expansion of 200,000 square feet
- New 115,000 square-foot Inpatient 2 Building (IP2); 80 feet in height
- New 85,000 square-foot Diagnostics and Testing Building (D&T); 60 feet in height
- Additional three floors to Parking Structure #4 (PS4) to add 292 parking spaces; 40 feet in height
- Extension of Master Plan and Development Agreement document by 10 years
- Total number of on-campus beds remains the same:
 - The proposal would move beds from the existing hospital building to the new IP2
 - Existing hospital would be backfilled with administrative, storage, and service space
