**CITY OF SANTA CLARITA  
COMMUNITY DEVELOPMENT DEPARTMENT  
MASTER CASE NO.18-157  
SIGN REVIEW 18-020**

**REVISED – HENRY MAYO NEWHALL HOSPITAL MASTER PLAN SIGN PROGRAM  
PER CODE SECTION 17.51.80 OF THE  
UNIFIED DEVELOPMENT CODE**

**Date:** December 5, 2018

**Applicants:** Henry Mayo Newhall Hospital  
23845 McBean Parkway,  
Santa Clarita, CA 91355

Welltower, Inc.  
550 Heritage Drive, Suite 200  
Jupiter, FL 33458

**Request:** The applicant is requesting revisions to the sign program for the Henry Mayo Newhall Hospital Master Plan located at 23845 – 23861 Mc Bean Parkway. This request would revise the approval issued under Master Case 11-034, in compliance with Condition PL6 of the Master Plan approval. The project site is zoned Specific Plan, (SP), in the City of Santa Clarita.

**Findings:** The Community Development Department has determined that the applicant's request is a reasonable and conforming use of the property along with the application of conditions of approval. The determination has been made that the principles and standards required by the Unified Development Code have been applied to this decision. Therefore, this sign review proposal is approved, subject to the following conditions:

**CONDITIONS OF APPROVAL**

**GENERAL**

GC1. The approval of this entitlement shall expire if not implemented by the placement of one or more signs within one (2) years from the date of conditional approval, unless it is extended in accordance with the terms and provisions of the City of Santa Clarita's Unified Development Code.

- GC2. To the extent the use approved with this project is a different use than previously approved for the property, the prior approval shall be terminated along with any associated vested rights to such use, unless such prior approved use is still in operation, or is still within the initial pre-commencement approval period. Once commenced, any discontinuation of the use approved with this project for a continuous period of sixty (60) calendar days or more shall terminate the approval of this use along with any associated vested rights to such use. The pre-existing legal use shall not be re-established or resumed after the sixty (60) day period. Discontinuation shall include cessation of a use regardless of intent to resume.
- GC3. The applicant may file for an extension of the conditionally approved project prior to the date of expiration. If such an extension is requested, it must be filed no later than sixty (60) days prior to expiration.
- GC4. The applicant shall be responsible for notifying the Director of Community Development, in writing, of any change in ownership, designation of a new engineer, or change in the status of the developer, within 30 days of said change.
- GC5. Unless otherwise apparent from the context, the term “applicant” shall include the applicant and any other persons, corporation, or other entity making use of this grant. The applicant shall defend, indemnify, and hold harmless the City of Santa Clarita, its agents, officers, and employees from any claim, action, or proceeding against the City or its agents, officers, or employees to attach, set aside, void, or annul the approval of this Project by the City, which action is provided for in Government Code Section 66499.37. In the event the City becomes aware of any such claim, action, or proceeding, the City shall promptly notify the applicant, or if the City fails to cooperate fully in the defense, the applicant shall not thereafter be responsible to defend, indemnify, or hold harmless the City. Nothing contained in this Condition prohibits the City from participating in the defense of any claim, action, or proceeding, if both of the following occur: 1) The City bears its own attorneys’ fees and costs; and 2) the City defends the action in good faith. The applicant shall not be required to pay or perform any settlement unless the settlement is approved by the applicant.
- GC6. The property shall be developed and maintained in substantial conformance with the approvals granted by the City. Any modifications shall be subject to further review by the City.
- GC7. The applicant and property owner shall comply with all inspection requirements as deemed necessary by the City of Santa Clarita.
- GC8. The owner, at the time of issuance of permits or other grants of approval agrees to develop the property in accordance with City codes and other appropriate ordinances such as the Building Code, Plumbing Code, Grading Code, Highway Permit Ordinance, Mechanical Code, Unified Development Code, Sanitary Sewer and Industrial Waste Ordinance, Electrical Ordinance and Fire Code.
- GC9. Details shown on the site plan are not necessarily approved. Any details which are inconsistent with the requirements of state or local ordinances, general conditions of

approval, or City policies and not modified by this permit must be specifically approved in writing.

- GC10. The applicant must sign and notarize the attached affidavit to confirm acceptance of the conditions of this grant. The notarized affidavit must be returned to the Planning Division before approval is granted.
- GC11. It is hereby declared and made a condition of this permit that if any condition hereof is violated, or if any law, statute, or ordinance is violated, the City may commence proceedings to revoke this approval.
- GC12. All requirements of the Master Case 04-325 and Master Case 16-007 including, the Conditions of Approval, Master Plan document, Development Agreement and Mitigation Measures identified in the FEIR are not modified with this approval and are still in full effect.

#### PLANNING DIVISION

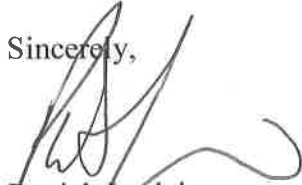

- PL1. The applicant is granted approval to revise the sign program for the Henry Mayo Newhall Hospital (HMNH) Master Plan subject to the following conditions of approval. Any changes or modifications to the proposed sign program shall be subject to the review and approval of the Director of Community Development.
- PL2. The revisions to the sign program includes, but is not limited to, the following:
- a) Changes in the branding to Henry Mayo Newhall Hospital including a new logo, colors, and sign dimensions to be consistent with the new HMNH brand.
  - b) On-site direction signs have been revised to address additional on-site directional signage for the properties controlled by Welltower, Inc.
  - c) Signs within the sign program have been re-numbered to be easier to use and identify the types and number of signs that are approved under this sign program.
  - d)
- PL3. All other requirements of the Henry Mayo Newhall Hospital sign program remain in full force and effect.
- PL4. The project shall be developed in substantial conformance with the approved sign program (Attachment A) on file with the Planning Division. Any changes shall be subject to the review and approval of the Director of Community Development.
- PL5. The approval for sign locations is only conceptual with this permit. Each individual sign shall be reviewed for ultimate location to ensure consistency with the Master Plan and UDC requirements.
- PL6. This approval does not supersede the requirements of any other affected agency or of any requirements or prohibitions in the Unified Development Code not addressed above.

PL7. The signs shall not be located in such a manner as to impede traffic or sight visibility.

PL8. The applicant and property owner shall comply with all inspection requirements deemed necessary by the City of Santa Clarita.

Should you have any questions regarding this approval, please contact me at (661) 255-4349.

Sincerely,

A handwritten signature in black ink, appearing to read 'Patrick Leclair', with a long, sweeping flourish extending to the right.

Patrick Leclair  
Senior Planner
