(Housing Element and Safety Element Updates)

PROJECT APPLICANT: City of Santa Clarita

PROJECT LOCATION: Citywide

PROJECT DESCRIPTION: State law requires that all jurisdictions periodically update their Housing Element. In order to comply with this state requirement, the City of Santa Clarita (City) has prepared an update to the General Plan Housing Element. The current Housing Element was adopted in October 2013 and the proposed update would serve as the City's Housing Element for the sixth Housing Element cycle, through October 2029. State law also requires that upon this update of the Housing Element, the Safety Element be updated. An update of the Safety Element has also been prepared in compliance with state law. An electronic version of the public review Draft Housing Element is available on the project website at santa-clarita.com/housingelement.

The City's Planning Commission will conduct a public hearing on this matter on the following date:

DATE: Tuesday, April 5, 2022

TIME: At or after 6:00 p.m.

LOCATION: City Hall, Council Chambers
23920 Valencia Blvd., First Floor, Santa Clarita, CA 91355
