# **Fire Protection**

# **Program Purpose**

The purpose of this program is to provide fire prevention, protection, and suppression within the City boundaries.

# **Primary Activities**

The Fire Prevention and Protection Program responds to various emergencies including, but not limited to, providing fire prevention public education programs and and responding to public and City's assistance Fire protection and prevention calls. services are provided to the City by means of the wildfire protection district. Costs associated with services are deducted from property tax prior to distribution to the City. The appropriated budget is the cost for services in an area within the City, however, not within the district. Given this amount is not paid through property taxes, the City must remit fees directly.
