

City of Santa Clarita Organization

Form of Government

The City of Santa Clarita is a general-law City operating under a Council-Manager form of government, with the City Council acting as the part-time legislative body of the City. Five members are elected to the City Council at large on a nonpartisan basis, with members serving four-year terms. Elections are staggered every two years, with the Mayor serving a one-year term and acting as presiding officer.

The City Council appoints a City Manager to be the Chief Administrative Officer responsible for the day-to-day operations of the City. The City Manager's duties include appointing Department Managers, who are then responsible for the day-to-day operations of their own departments. Department Managers then have the task of selecting division managers and support staff members.

Also appointed by the City Council is the City Attorney, who is the legal advisor to the Council, Department Managers, Commissioners, and other City officials.

Assisting the City Council in serving the Santa Clarita community are a variety of boards and commissions which address specific needs within their particular realm of responsibility. Each board and commission has the opportunity to get involved in a wide range of activities from reviewing City ordinances to recommending major revisions to City programs. Public meetings are held on a regular basis.
