Supplementary Information

Santa Clarita Today

Santa Clarita was the 85th city to incorporate in Los Angeles County with a population of 147,228. It was the largest city to ever incorporate in California and ranks fourth in the County in terms of population. The City is the fastest-growing area in Los Angeles County with a projected population of 270,000 by year 2010. The median age in Santa Clarita is 30.3, and the median household income is \$44,825.

Santa Clarita consists of 40 square miles of land sprinkled with oak trees in the foothills of the San Gabriel and Santa Susanna mountains. Bordered by Interstate 5 to the west and state route 14 to the east, Santa Clarita comprises the previously unincorporated Los Angeles County communities of Newhall, Saugus, Valencia, and Canyon Country.

Santa Clarita enjoys a location close to many recreational areas. An hour's drive west brings you to the beach, while an hour's drive east brings you to the high desert. The Los Angeles metropolitan area is about 30 minutes to the south, and popular winter recreation spots are to the north.
