PROJECT NAME: Addendum to the Haskell Canyon Bike Park IS/MND for the Haskell Canyon Open Space Shared Access Improvements Project

PROJECT LOCATION: Northern portion of the City of Santa Clarita (City) on portions of Assessor's Parcel Numbers (APN) 3244-034-271, 3244-031-272, and 3244-031-902.

PROJECT DESCRIPTION:

In 2025, the City prepared the Haskell Canyon Bike Park Initial Study/Mitigated Negative Declaration (Haskell IS/MND) for the development of a bike park (Haskell Canyon Bike Park Project/Approved Project) with approximately 15 miles of trails interspersed throughout approximately 380 acres within the Haskell Canyon open space area located in the northern portion of the City of Santa Clarita and a portion of unincorporated Los Angeles County (Approved Project Site). The Haskell IS/MND was adopted by the City of Santa Clarita City Council on June 24, 2025.

The proposed Haskell Canyon Open Space Shared Access Improvements Project (Revised Project) would install approximately four inches of asphalt concrete over an existing approximately 1.4-mile long unpaved main access drive from Copper Hill Drive north to the City Archery Range, with two approximately 0.25-mile spur roads off of the unpaved main access drive to provide access to the Haskell Canyon Bike Park and the City Archery Range. Two dip crossings over the Haskell Canyon Wash would also be constructed, one for each of the spur roads. The proposed improvements would provide all-weather access to the existing Haskell Canyon Bike Park and the existing City Archery Range, as well as to other existing uses, including the City of Los Angeles Department of Water and Power (LADWP) facilities, Haskell Canyon Open Space, Santa Clarita Movie Ranch, and Angeles National Forest. No expansion of use or capacity of any of these existing uses is proposed. An Addendum to the Haskell IS/MND was prepared for the Revised Project.
